

SPRING

By Kris Black stock

SPRING is pink

Like cold lemonade a rose in the  
Garden like blossoms in a tree and  
A brand new pink dress.

SPRING is green

Like a stem on a flower  
A shamrock you can see ,  
The grass that is bright green.

SPRING is yellow

Like a soccer ball we kick  
The sand on the beach and the  
Sheets on a bed, and a crayon.
